

VANCEVA Foundational Palette

Helping you make your designs more distinctive.

FOUNDATIONAL PALETTE

The foundational palette consists of 10 basic colors that come in two light transmission levels each of red, yellow, blue, black and white. These colors can be layered in various combinations to produce more than 1,000 transparent and translucent color options.

	0001 Coral Rose		0002 Aquamarine		0003 Smoke Gray		0008 Golden Light		000A Cool White
--	--------------------	--	--------------------	--	--------------------	--	----------------------	--	--------------------

	0005 Ruby Red		0006 Sapphire		0007 Evening Shadow		0004 Sahara Sun		0009 Arctic Snow
--	------------------	--	------------------	--	------------------------	--	--------------------	--	---------------------

DEEP RED, TRUE BLUE, PURE WHITE & TANGERINE

These deep hued blues and reds along with a totally opaque white and a vibrant orange bring an added brilliance and intensity never before available.

	000C Deep Red		000D True Blue		C003 Pure White		8641 Tangerine
--	------------------	--	-------------------	--	--------------------	--	-------------------
